

## LUNA STAR CAFE'S 20TH ANNIVERSARY

The café was established in May 1996 and opened its doors on August 26th 1996. This coming week marks a milestone for the LUNA STAR CAFE. We have been bringing live music to the greater south Florida area for 20 years. We hope you will join us this week for a glass of champagne to celebrate the 20 years.

The cafe is truly a labor of love above all else. It is a community all its own and everyone who is part of this community is family. The cafe has seen people grow; we lost family and good friends, There have been relationships and marriages that have come together and others that fell apart. Some folks stay others go. The friendships that have been made here are golden.

It all happens in a small cafe in the middle of nowhere in the midst of nothing in a world all its own and everyone that comes is part of the fiber that holds it together.

#### **SARAH JACOB TRIO**

Sarah Jacob views songwriting as a catalyst to navigate through emotions and give them voice. Aided by her love for puns, double entendres and allusion, her songs transform the confusions and ambiguities of inner experience into a "language of the emotions." Since 2012 Sarah, who composes on the piano, has teamed up with Darrell Arnold, baritone vocalist and guitarist, and Fred Napolitano, saxophonist, forming the Sarah Jacob Trio. The result--mixing hints of jazz, blues and folk into contemporary rock-ballads--is an original lyrical and musical blend. The trio combines a sense and sensibility that make for beautiful songs, offering a psychological expedition of the inner world.

**THE THREE JACKS**

The Three Jacks are an amazing Irish/Celtic/Folk/Rock band" who play "the foot-stomping, whiskey-drinking, Miami-style Irish party music your Guinness dreams are made of." Their last album: "kicks and bounces like a hurley swinger after a bucket of Jameson and more than a bit o' the bitter, without sacrificing high art . . . to create stuff the Pogues . . . wish they'd written." New Times.

The Three Jacks is the new name of Miami's own Celtic rockers, The Volunteers - one of America's most entertaining Celtic rock bands with well over fifteen years of packed-out shows at clubs, pubs and auditoriums in the US and abroad.
